

Paint for Performance. Built for Speed.

Ultra with Biolux®

- **Premium Performance & Long Term Protection** – For medium to high fouling areas at an attractive price
- **Durable Finish & Superior Coverage and Hide** – Scrubbable finish with excellent color stability and excellent film build prevents wear through
- **Biolux Technology** – Blocks slime improving antifouling performance
- **Low VOC & Fast-Dry** – Limits solvent emissions into the atmosphere and paint and launch in the same day
- **All the Benefits of Three Gallon Pails** – For optimal savings in labor efficiencies and improved margins by reducing waste handling & disposal costs. Fewer cans to open and stackable when empty!
- **Boatyard-Friendly & Flexible Application Choices** – compatible with most other antifoulings and perfect for brush/roller and airless spray methods
- **Available in the Most Popular Colors** – Black, Blue, Green & Red
- **Backed by Interlux Warranty**

***Ultra Delivers
the Performance
You Can Expect
from Interlux.
We Guarantee It!***
